

INFO TIPS

IGNITION COIL

REF. 156200 | DIFFERENT PRODUCT DESIGNS

REF. 156200

OEM REFS:

Opel 93161948

Renault 224333529R

Our **EFI Automotive** 156200 coils can be supplied with **two different visual designs**. However, these coils are **interchangeable*** on **the same original applications** and have **similar OEM performance**.

**When replacing, we recommend as much as possible that you do not mix different models on the same engine motor.*
